

*Ramsay School Council is **one of two parent-led volunteer groups** at the School. (The other is Parent Association.)*

All parents or guardians of current Ramsay students are members.

All are invited to attend, participate, and vote at every School Council meeting.

We support the learning and well-being of Ramsay students, advise the Principal and Board of Trustees on school matters, ensure the parent/guardian perspective is represented in school decision-making, share information about the school with the community, and plan fun events.
